

Cloud and Rain Addition Game

Name _____

Start! →

$1+3=$

$2+1=$

$3+3=$

Directions:

Roll a die to move around the board.

When you land on a cloud, find and color the raindrop with the answer. If you

answer correctly, color the cloud. Repeat

until you color all the raindrops and

clouds. * Make sure you only

color one raindrop for each cloud.
