

# Mr. Eatwell Subtraction

Name \_\_\_\_\_

Mr. Eatwell loves to eat! Let's find out how many pears are left.

There were 6 pears and he ate 4 of them!

Cut and paste his face on top of the pears he ate.

Let's fill in the numbers!

number of pears  
to start

—

number of pears  
Mr. Eatwell ate

=

number of pears  
left

How many pears are left?

My Answer: \_\_\_\_\_ pears
