

Name _____

How many blocks equal the length of these scarves?
Write the answer in each box.

Diagram 1: A scarf with a fringed end on the left and a buttoned end on the right. Below it is a ruler with tick marks. To the right is an equals sign followed by a square box and the word 'blocks'. Below the ruler is a row of eight rectangular blocks, alternating in color (white, grey, white, grey, white, grey, white, grey).

Diagram 2: A scarf with a fringed end on the left and a buttoned end on the right. Below it is a ruler with tick marks. To the right is an equals sign followed by a square box and the word 'blocks'. Below the ruler is a row of eight rectangular blocks, alternating in color (white, grey, white, grey, white, grey, white, grey).
